Matt's friends

Hello! My name is Matt and I am 8 years old. I am from Toronto in Canada, but now I live in Portugal. Here I go to a new school and I have new friends, but I really miss my friends in Canada. This is a picture of my new friends and I in my new school.

I am the one that has got short black hair and is wearing a red T-shirt. I am in the middle of the photo, between Julia and Lisa.

My friend Joao is the one on the left of the picture. He is very tall, he has got wavy orange hair and lots of freckles. He is wearing a green shirt and big brown mountain boots. He loves nature and he is the perfect scout/guide: he knows everything about animals and trees.

Next to me is Julia. She is my best friend and my cousin too! She likes all sports, but she really loves playing American football. She is wearing the school team uniform in this picture.

Lucas is the short boy; he wears glasses and has got blonde curly hair. He enjoys painting and creating colourful drawings. I think he will be a famous artist when he grows up. He usually visits the Art Museum on Sundays with his dad.

My friend Lisa is really intelligent and she is crazy about science. She always wears a white overall like doctors and scientists. We learn a lot about science experiments with Lisa!

Sometimes, I miss my friends in Canada but, when I look at this picture, I feel very happy to have these new friends in Portugal. We all look great together!

It is great to have friends all around the world!
