Reading 2

SUPERHERO LIFE

There are modern superheroes, like PJ Masks, Ladybug or The Incredibles. They are strong, fast, intelligent and good. All of them have a real life and keep their superhero powers in secret.

Ladybug is a student. Her real name is Marinette and she lives in Paris. She wears a red costume with black spots, and a mask. Her superpowers are in the Miraculous balls, which are magic.

PJ Masks are a group of friends. During the day they go to school, like you! They learn, play and have fun with other boys and girls at school. But when the night comes... they put on their pyjamas and are ready to fight Romeo or Night Ninja, their enemies. Every night PJ Masks save their city! They wear red, green and blue costumes and have super powers: flying for Owlette, scaling walls for Gekko and running speed for Catboy.

The Incredibles are a family of superheroes! They all wear black and red costumes and a mask; and all of them have a personal super power. Dad is super strong and he can fight any villain or enemy. Mom is super elastic, she is flexible and can **stretch** her body. Violet, the girl, can become invisible and she can protect others. Dash, the boy, has super velocity powers: he can run faster than any animal in the world! And the baby... he has lots and lots of super powers depending on his **mood**.

This family keeps their powers in secret, too. They have a “normal” life and they become super heroes when the enemy attacks!

- A. Superman, Batman, Spiderman and Wonder Woman
- B. Mickey Mouse, Peppa Pig and Ninja Turtles
