# Planet Zoila

Planet Zoila is a very small Planet. It is 200 million kilometres away from The Earth. It is so small that there are only thirty houses on the planet. There is one small hotel and another one that is big.

There is a hospital with only one doctor and one nurse.

The people from other planets love spending their winter holidays in Zoila, because the weather is always nice and warm and... it never rains!

The problem is that it is very small so it has only got one beach for tourists and not many families can visit Zoila at the same time.

The beach is great fun. Visitors can practice lots of sports such as water-skiing, badminton, scuba diving or kite surf. They can also go to the beach just to relax and enjoy the fantastic weather.

Children from other planets love going to Zoila on their holidays because of the variety of sports that they can practice on the beach. Zoila has also many restaurants that serve really good food that children love such as fruit, vegetables, fish and lentils but no horrible chocolate, sweets or cakes.

Adults enjoy their holidays in Zoila too because it is not noisy and there are no monkeys. The only animals on the planet are a few little birds that sing beautifully. Zoila is like paradise!

**9. Planet Zoila is...**

- A. enormous
- B. huge
- C. small
- D. quite big

**10. Planet Zoila is...**

- A. a little bit boring

- B. not many schools
- C. no place to relax
- D. three suns that give off light

**12. How many hotels are there on Planet Zoila?**

- A. one
- B. two
- C. three
- D. five

**13. What is the weather like on Planet Zoila?**

- A. It is sunny but cold.
- B. It is always rainy.
- C. It is warm but rains all the time.
- D. It is nice and warm.

**14. When visitors are sick they can go to...**

- A. one of the restaurants.
- B. the hospital.
- C. the three star hotel.
- D. Zoila Beach.

**15. Children love going to Zoila's restaurants because...**
